

Application Serial No.: 09/917,649
Applicant: Mark J. Feldstein

Docket No.: N.C. 79,856

REMARKS

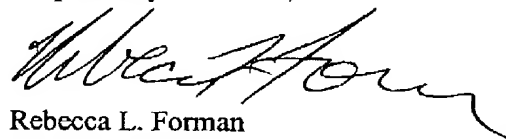

Reconsideration of the above-identified application is respectfully requested.

Claims 29-46 remain in this application. Claims 30-46 have been added (these claims correspond to previously canceled claims 1-8, 10-16 and 27-28) to more particularly point out and distinctly claim the subject matter that Applicant regards as his invention.

Previously canceled claims 1-8, 10-16 and 27-28 were rejected in the Office Action mailed on January 14, 2003. Since claims 30-46 correspond to these previously canceled claims, Applicant relies on the arguments made in the Amendment filed on February 27, 2004 regarding claims 1-8, 10-16, and 27-28 to overcome similar rejections to new claims 30-46.

In view of the foregoing, it is respectfully submitted that this application is ready for allowance. Kindly charge any additional fees due, or credit overpayment of fees, to Deposit Account No. 50-0281.

Respectfully submitted,
